Donation: \$35.00 for up to 26 characters.

You can have any name engraved on a wooden board and placed at the Alligator Creek (Punta Gorda) Preserve Environmental Center's deck or boardwalk locations. Memorialize a notable moment in your life – a birth, graduation, family member, or missing loved one.

Typically, names are engraved and boards are installed during our "snowbird" season when our master carpenter volunteer is available. Orders received after April 10 are engraved and installed during the next "snowbird" season. Engraving and installation is performed when time permits. One board may contain multiple engravings. Boards are installed where and when space is available. We will notify you via email when the board with your engraving is installed and where it is located.

Your Adopt-A-Deck donation is used to purchase replacement boards and materials to refurbish the Center's boardwalks, bridges and observation decks.

Example: 26 letters
