

Our Mission

To raise public awareness of the value of our natural and cultural resources by providing environmental education, recreation, research, and management of conservation lands.

The ANCA Program

CHEC is a member of the Association of Nature Center Administrators (ANCA). CHEC participates in the ANCA Reciprocal Program which reciprocates discounted admission and other benefits to one another's members. A current list of all Reciprocal Membership locations can be found on the ANCA website at www.natctr.org.

CHEC Endowment Fund

A gift to the CHEC Endowment Fund supports our programs and services forever. The fund is invested in perpetuity, generating income to support yearly operational needs.
