

Cedar Point Environmental Park

Field Trip Opportunities Englewood

Guided Nature Walk

Join CHEC educators as they lead students through the ever changing trails of Cedar Point Environmental Park to learn about our unique Florida ecosystems and the wildlife that lives there. Gopher Tortoises, Fiddler Crabs, and wading birds are frequently spotted along these journeys. Enjoy special stops along the cookie house, lemon bay dock, and visitors center for further exploration!

Available for various group sizes and ages.

Duration: 45 mins -1.5 hours

Cost: \$10 per person

Wading Trip in Lemon Bay

Explore the seagrass beds of Lemon Bay to learn more about what an estuary is and what creatures call it home. Students will wade into the water geared with dip nets and buckets to gently capture what lies below. CHEC educators will identify and educate about the creatures before carefully returning them back to the water. Dwarf Seahorses, Florida Fighting Conch, Blue Crabs, and lots of fish are frequent catches during these trips.

Available for various group sizes and ages.

Duration: 3 hours

Cost: \$15 per person

For more information or to request a trip please give us a call at 941 475 0769.

Due to the high volume of trips CHEC provides, availability is limited. Advanced requests are recommended but not guaranteed.
